## Diamonds 'n Denim Linedancers

Port Macquarie and Camden Haven NSW

**LINEDANCING** is dancing without a partner. Linedancing is all genres of dance, eg waltz, cha cha, rumba, rock, latin. Dances are professionally choreographed. Linedancing is excellent exercise for the mind as well as the body. It's not easy at first but it is FUN. Our beginner classes have lots of laughs!

Instructor Di Andrews has been linedancing for 23 years with experience at competition level. Di established and has been teaching as Diamonds 'n Denim for 17 years.

We are a mainstream group with classes each week catering for all levels. New beginners are very welcome. The majority of our dancers are seniors, however don't underestimate us! Many dance at international standard.

Diamonds 'n Denim Linedancing has events and outings. We have workshops and socials. We have fun! Although in past years we provided many demonstrations for public events and fairs, we no longer do so due to insurance and other issues.

We have a website [www.didenim.com](http://www.didenim.com) Our bi-monthly newsletter includes our current calendar of events. We are also on Facebook. Check us out!
